

An ISO 9001:2015 Certified Company

MANUFACTURER OF WATER WELL DRILLING COMPONENTS

APEX INDUSTRIES

Manufacturer of water well drilling products

- **APEX – Premium Quality at Economical Pricing**
- **Door-to-Door Delivery**
- **On-time dispatch tailored to customer requirements**

ABOUT

OUR COMPANY

Since 2003, Apex Industries has been committed to engineering reliable solutions for the water well drilling industries in USA & Canada. Starting with drive shoes, dual rotary shoes, and other essential drilling tools, Apex Industries quickly established itself as a trusted name.

A brief look at our milestones:

2014 – Expanded into drilling accessories, including DTH hammers and Bits and drill bits, becoming a complete solutions provider.

2023 – Introduced Horizontal Directional Drilling (HDD) tooling, marking our step into advanced infrastructure solutions.

Today, Apex Industries specializes in:

- Water well drilling accessories
- Casing accessories
- Directional Drilling products
- Construction Drilling products
- Environmental products

Every product reflects our blend of precision engineering and dependable performance.

MISSION

To design and manufacture reliable drilling solutions that deliver quality, durability and value.

To meet customer needs through innovation, competitive pricing and dependable service.

VISION

To be recognized as a trusted global manufacturer in drilling Solutions, known for consistency and reliability.

To expand responsibly while balancing innovation, affordability and performance.

QUALITY

At Apex Industries, quality is not just a checkpoint—it's the foundation of everything we do.

All components are manufactured in our ISO 9001:2015 certified facility, ensuring precision at every stage.

From raw material sourcing and product design to manufacturing, packaging, and delivery, our rigorous inspection process covers the entire journey.

PRODUCTS

DRILL BIT – QL SHANK AND M SHANK

SIZE	: 4, 4 1/2, 5 5/8, 5 3/4, 6, 6 1/8, 6 1/2, 8, 8 1/8 and 9 7/8 inches
MATERIAL	: Alloy steel, Carburized, Heat treated
THREAD	: Carbide: Spherical button
PAINT	: Grey / Customised
TYPE	: Concave, Convex and Flat face

HAMMER– QL SHANK AND M SHANK

SIZE	: QL40 Hammer, QL50 Hammer, QL60 Hammer and QL80 Hammer including spares.
MATERIAL	: Alloy steel with Heat treated
PAINT	: As Customer Specified

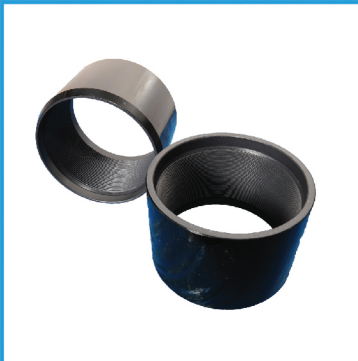

DRIVE SHOE

SIZE	: 2,3,4,5,6,7,8 and 10 inches
MATERIAL	: Carbon Steel
THREAD	: "V" Thread / Weld on
LONG	: As Customer Required
PAINT	: As Customer Specified
TYPE	: Cable Tool / Rotary

PRESS FIT DRIVE SHOE

SIZE	: 2, 3, 4, 5 and 6 inches
MATERIAL	: Carbon Steel
THREAD	: No thread/ No weld
LONG	: 7.2 and 7.3 inch
PAINT	: As Customer Specified
TYPE	: Press fit connection

CS COUPLING

SIZE	: 1 1/4,2,4,5,6,7,8, and 10 inches
MATERIAL	: Carbon Steel
THREAD	: "V" & ROUND
LONG	: 11 3/8 and 12 inch
PAINT	: As Customer Specified
TYPE	: R&D, LP, LS and Merch

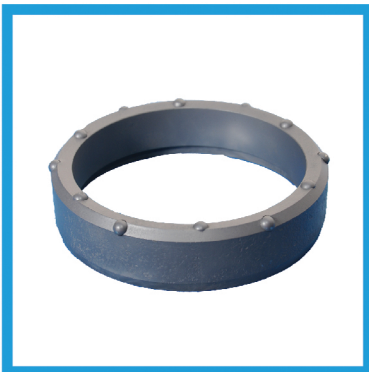

PRESS FIT COUPLING

SIZE	: 2, 3, 4, 5 and 6 inches
MATERIAL	: Carbon Steel
THREAD	: No thread/ No weld
LONG	: As Customer Required
PAINT	: As Customer Specified
TYPE	: Press fit connection

SS COUPLING

SIZE : 1, 1 1/4, 1 1/2 and 2 inches
MATERIAL : Stainless Steel
THREAD : "V" & ROUND
LONG : As Customer Required
PAINT : Polished SS
TYPE : R&D, LP, LS and Merch

DUAL ROTARY SHOE

SIZE : 4, 5, 6, 8, 9 5/8, 10, 12, 13 3/8, 14, 16, 18, 20, 22 and 24 inches with various carbide buttons- Spherical and Ballistic
MATERIAL : CS & Alloy Steel
THREAD : No
LONG : 1.5, 2 and 3 inch
PAINT : Moly Spray
TYPE : Water well and Construction

NIPPLE

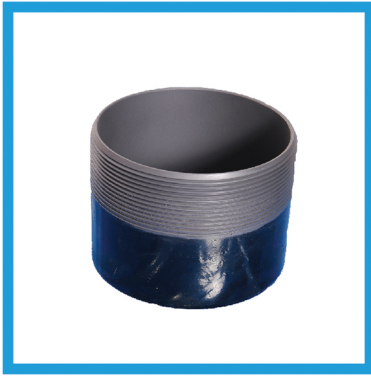

SIZE : 1/2, 3/4, 1, 1 1/4, 1 1/2, 2, 2 1/2, 4 and 5 inches
MATERIAL : SS And CS
THREAD : "V" & ROUND
LONG : As Customer Required

K - PACKER

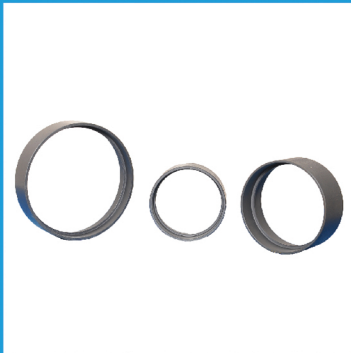

BI AND TRI SEAL RUBBER

SIZE : 3, 4 and 5 inches connection pipe connected with 6 inches casing pipe
MATERIAL : SS And CS
THREAD : Round
LONG : 4 inch
PAINT : Rubber Mould

PLUG

SIZE : 5 inches
MATERIAL : SS And CS
THREAD : Round
LONG : 4 Inch
PAINT : Black

WELD RING / WELD COUPLING

SIZE : 4, 5 and 6 inches
MATERIAL : Carbon Steel
THREAD : No
LONG : 2, 2 1/2, 3, 3 3/4 and 4 7/8 inch

WELL CAPS

SIZE : 6 and 8 inches
MATERIAL : ALUMINIUM
THREAD : Rubber Gasket
LONG : Customised Name imprint
PAINT : Polish / Painted
TYPE : WTCC, STD, APEX, OTT

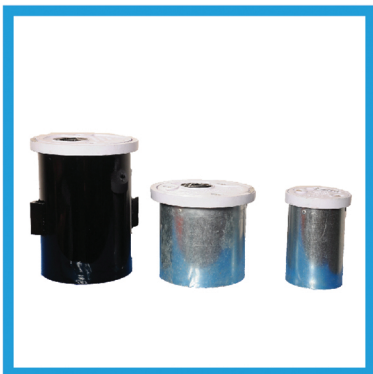

FLOWING WELL SEAL

SIZE : 6"
MATERIAL : SS And CS with
THREAD : Rubber Gasket
PAINT : As Customer Specified

WELL SEAL

SIZE : 6 inch
MATERIAL : Aluminium, ABS and Steel
THREAD : Rubber Gasket
TYPE : SOLID and ABS

MANHOLE

SIZE : 5, 6, 8 and 12 inches
MATERIAL : Cast Iron, Aluminium
THREAD : Skirt type: Steel, Aluminum and GALV Skirt
LONG : 7 1/2, 10 and 12 inch long skirt
PAINT : White and Black

PRO CASING PROTECTOR / STANDUP COVER

SIZE : 4 and 6 inches
MATERIAL : Carbon Steel
THREAD : Round and Square pipe
LONG : 4 and 5 feet long pipe
PAINT : As Customer Specified

BRASS FITTINGS

SIZE : 0.75, 1 and 2 inches
MATERIAL : Brass, NL
